RESOLUTION 11-90

WHEREAS, Williston State College proposes to offer a Bachelor of Applied Science in Applied Management; and

WHEREAS, The Program would support the institution's mission by building on existing applied associate degree programs to prepare students to advance professionally into supervisory and project management roles to meet the needs of local employers; and

WHEREAS, The institution has committed to provide the services and support necessary to expand its institutional role and mission by offering a baccalaureate degree program; and

WHEREAS, Students would benefit from the program because it would prepare them for career advancement in a way that is closely connected to their associate-level technical training; and

WHEREAS, The program would not unnecessarily duplicate existing programs in North Dakota and would be offered at a reasonable cost;

THEREFORE, BE IT RESOLVED, That the City of Williston supports Williston State College's request to offer the Bachelor of Applied Science in Applied Management.
