 - A. Dozer – Landfill

Dave Bell Director of Public Works presented the following;

We opened bids on Tuesday October 16, 2018 for a dozer for the landfill, our budgeted number was \$451,000. We had one bid from Tractor & Equipment for \$499,824.23, which is \$48,900 over budget. The original number was \$80,000 over budget and after review of the bid, which

included a guaranteed buy-back, we were still over budget. We do recommend award of the landfill dozer to Tractor and Equipment of Williston, in the amount of \$499,824.23.

Motion by Brostuen, Seconded by Piesik to move for approval of the award of the landfill dozer to Tractor and Equipment of Williston, in the amount of \$499,824.23 less trade-in

B. 7-Passenger SUV – Administration

David Tuan City Administrator presented the following;

We received two good bids from Red Rock Ford (Nelson Auto Center) for a 7-passenger SUV for the Administration Department, this will replace the existing Expedition that will stay in the fleet and move over to Economic Development, so we can retire the suburban to the Police Department. The two bids and the two vehicles are very different, the Yukon has the bare minimum of features and the Expedition has some upgraded safety features. It is our intent to utilize this vehicle for travel and would prefer these safety features. Our budget for this was \$55,000 for this year and the bid from Nelson Auto was \$59,168.22, we are over budget, however, comparing the prices and we have looked regionally and feel it is a good price. We recommend approval to purchase the 2019 Ford Expedition from Nelson Auto, in the amount of \$59,168.22.

C. Introduction of New Western Area Water Supply Authority Director

David Tuan City Administrator presented the following;

Introduced the new Director for Western Area Water Supply Authority (WAWSA) as Curtis Wilson, from Texas and has an engineering background.

Curtis Wilson addressed the Commission;

Indicated he has a background in engineering, with 36-years of experience in water systems. I was invited to come to North Dakota for a challenge, as I have worked with similar systems. This seems to be a good fit and started just after Labor Day and am proud to be here and thanked everyone. He let everyone know he has an open-door policy and plans on attending Commission meetings to stay plugged in.

Mayor Klug asked what his plan is for the legislative session and what will his involvement be in Bismarck for his organization. Curtis answered it will be in support, as he is already working with the Industrial Commission, as we will be working with future projects with the Water Commission and the legislature in hope to secure future funding to make these projects possible, as the plant needs to be expanded for sure, as it has reached its capacity and cannot run at capacity 100% of the time and am hoping to get this going and feels this will have an impact on the City of Williston.

 - 1) UMRDC Joint Powers Agreement – Amendment 1

David Tuan City Administrator presented the following;

This is an amendment to the Upper Missouri Regional Dispatch Center Agreement, joint powers agreement and after further review from the City and County Attorneys some minor changes were made, language clarified and some statements were refined and has gone through committee review. I recommend approval of the joint powers agreement amendment 1 as presented.

Commissioner Bekkedahl asked regarding removing the verbiage regarding any wireless or landline funds submitted to Williams County are reserved for management operations, was this so that each entity just submits their financial contribution regardless of the source. David Tuan indicated this is correct and it does not commit a specific source, every entity or member, regardless of who, can use utilize whatever means they feel appropriate, most likely they will use those, but this does not require it by agreement.
