### **Public Service Announcement**

**Compost containers are placed at the following locations:**

- 1. Corner of 5<sup>th</sup> Street East and 8<sup>th</sup> Avenue East**

**As locations dry up we will be placing more containers at the following locations:**

- 2. Western Star Ball Complex-19<sup>th</sup> Avenue West and 15<sup>th</sup> Street**
- 3. Rickard School-14<sup>th</sup> Street East and 2<sup>nd</sup> Avenue**

**Containers are for grass clippings and leaves only. Please do not mix tree limbs, bags or household waste with compost. Compost containers that get contaminated with these items require that the load be buried in the landfill and defeats the purpose of the containers.**
